Participation in the Registry is required by the Department of Human Services (DHS) for employment in state licensed center-based programs. The Registry assists DHS in confirming your education and training experience to determine the position(s) you qualify for under state child care licensing rules. Once your application is processed, you will receive a Registry Certificate and be eligible for employment. If you are updating, you may receive a new Registry Certificate if your qualifications have changed. **ORIGINAL applications only. NO faxed, copied, or emailed applications accepted.**

Frequently Asked Questions

Q: Is the Registry required?

There are two parts to the registry. Form 1 helps DHS determine the position you qualify for under state child care licensing rules. Thus, in order to work in a center-based program such as a preschool or infant/toddler center, DHS requires you to complete Form 1.

Q: What else does the Registry offer?

A: The Registry also offers a voluntary component (Form 2) which guides you in your professional development. In addition, the Registry offers career counseling.

Q: What will I get from the Registry?

A: Once you complete Form 1, you will get a Registry certificate which will indicate the positions you qualify for under licensing rules. You will also receive Form 2 for the voluntary component discussed above.

It is up to you whether you want to complete this form to track your professional development.

Q: Do I need to renew my Registry?

A: It depends on your educational background and how you qualified for a DHS position. If you have a CDA credential or work in an infant/toddler center, you may have an expiration date. Check your Registry certificate for the expiration date.

You may also update your Registry file at any time to reflect additional classes or experiences you have received. A new Registry certificate may be issued to reflect the updated information.

You may use Form 1 to update your file. A new Registry certificate will be issued if you have a change in position.

Q: Why do I need a current CDA on file?

A: If the Registry used your CDA credential to qualify you for your position, you must have a current CDA credential on file with the Registry to maintain your current position.

Q: Why does the Registry need your Social Security number?

A: Social security numbers are required to verify educational qualifications. Your information will be treated as confidential.
